Thank you! I thought you were off today. And you were on way too late last night, this could have waited until Monday!

Stay safe and healthy. - Kathy

Hi Kathy –

Dolores Wesson was not found in FDMS, please have her register for an FDMS account and I can add her to dockets OW-2005-0023 and OW-2013-0610.

All other edits have been completed.

Thank You,

Subject: Assistance with some dockets please

Hi Timothy,

I am requesting assistance with several dockets and updating who should be POCs with read/write access. There have been staffing changes and additional folks added to these projects to help manage workload. Hoping you can help with these. Oh, the status of these dockets (meaning which are live and viewable to the public on Regs.gov) should not change at this time. Thanks. Kathy

Docket number:

- **EPA-HQ-OW-2020-0008.** Comment on whether EPA's approval of a Clean Water Act Section 404 program is non-discretionary for purposes of Endangered Species Act

- POCs with read write access:
 - **Kathy Hurld** hurld.kathy@epa.gov phone 202-566-1269
 - **Ruth Chemerys** Chemerys.ruth@epa.gov 202-566-1216
- Please remove Stephanie Kelly
- **EPA-HQ-OW-2018-0640. Florida Clean Water Act section 404 Assumption Request**
 - POCs with read write access:
 - **Kathy Hurld** hurld.kathy@epa.gov phone 202-566-1269
 - **Kelly Laycock** Laycock.kelly@epa.gov phone 404-562-9132
 - **Others who should have access**
 - **Rosemary Calli** calli.rosemary@epa.gov phone 404-562-9846
 -
- **EPA-HQ-OW-2005-0023 Information Collection Request (ICR) for Clean Water Act Section 404 State-assumed Programs** and
- **EPA-HQ-OW-2013-0610 Clean Water Act Section 404 State-Assumed Programs ICR (Renewal)**
 - POCs with read write access:
 - **Kathy Hurld** hurld.kathy@epa.gov phone 202-566-1269
 - **Dolores Wesson** Wesson.dolores@epa.gov phone 202-566-2755

Lastly, I could have sworn I set up a docket for a rulemaking, but I don't see it so I'll be submitting a docket request form to establish the docket for revisions to the CWA section 404(g) – state and tribal assumption. So glad I saw that now!

Thanks for your help.

Kathy

Hi Stephanie –

Please see capture of docket OW-2020-0008 for upcoming FRN, also please let me know if additional personnel will be added for read/write permission.

The Type is set to 'Nonrulemaking' and the Subtype is 'Interpretation'. The Location is 'HQ-OW'. OWOW is trying to have the docket set up by the end of the week. **I do want you to know that we only want to set the docket up at this time and NOT publish it.** We are want to wait until we can have the docket be simultaneously published at the time of the Federal Register Notice.

Thanks so much. Any questions don't hesitate to reach out.

Stephanie, if you can work to open the docket with Timothy that would be great. We crafted a dreary of the docket form. Use the one I edited and uploaded to g drive. We will edit the description to match the FRN once we have that ready to go to the OFR.

Once established (prior to going live/public), we can start to upload the background documents so this is ready for when the frn is published.

Thanks,

Kathy

Subject: Few questions about setting up a docket

Good Morning Timothy,

I am writing to you because I have an interesting question about setting up a docket. PDBJ is looking to set up a docket in the near future however, the draft docket form has had many oscillating inputs from various members of the team. My colleague and I are wondering if it would be possible to set up the docket but have the ability to change or amend the description at a later date. We are trying to keep things moving on our end, both of us suspect that this action will be very quick moving once we get past the current round of edits.

When you get a chance do you mind kindly letting either of us know?

Sincerely,

Stephanie
